	Lutron	MA-T51MN
	Tork	D1060MW
	Tork	SS423
Woods	59007, 59008, 59013, 59014, 59720, 59726	
Dimmer	Leviton	Sureslide 6615-P
	Leviton	SELV-300P
	Lutron	DVELV-300P
	Lutron	DVCL-153PH

Note: Accessories are compatible with SINGLE speed fan only. None are compatible with multi-speed fans, regardless of manufacturer. This is because a multi-speed fan has built-in IC (intelligent chip) and an additional command from an accessory will confuse the fan.
