

MODEL: VCA523LED-30-WH/VCA523LED-30-BK

**Description**

The energy-saving ceiling fan with its world-leading brushless DC (BLDC) motor technology. The excellent power electronics control and air flow design make the ceiling fan run smoothly and quietly. Our easy-pairing and easy-to-read hand-held RF remote controller can send signals to the ceiling fan in far distance. The simple & chic exterior design is eye-catching.

**DC Motor**

- Power rating of 120 volts/60Hz
- DC brushless motor engineered to run continuously
- Motor equipped with thermal cutoff fuse
- Removable with permanently lubricated plug-in motor Built-in soft start function to increase bearings' life

**Blades/Housing**

- Advanced aerodynamic profiled ABS blades and decorative motor housing
- Color/Finish: Black & White
- Plug-in slots for blades to be quickly assembled
- Automatically powers OFF when blades are locked abnormally

**Downrod**

- Made with high-strength material
- Tapered threaded end ensures more stable connection
- Offers a unique 3-symmetric lock system which provides much better durability and safety than other downrods with a 1-lock system

**Light**

- 15-Watt LED light included (equivalent to a 110-150 watt incandescent bulb)
- Output 1400 Lumens, 90CRI and 3000K CCT
- Dimmable Lighting
- Flicker-free, zero aggressive reflections to provide a comfortable, stress-free atmosphere
- Fan & Light separately control

**Warranty**

- 3-year limited warranty

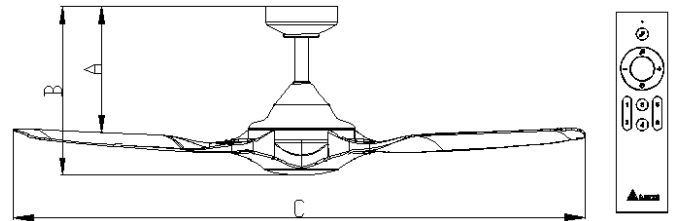

**CERTIFICATIONS**

**TYPICAL SPECIFICATION**

Delta ceiling fan VCA523LED-30-WH and VCA523LED-30-BK are 52 inches, 3 blades Ceiling Fan with 3000K Light and Remote Control. ENERGY STAR most efficient qualified with DC brushless motor engineered to run continuously for a minimum 70,000 hours; airflow above 4500 CFM; power consumption lower than 13 Watts. Wet-rated ceiling fans can apply in different spaces, such as living room, dining room, bedroom, and patio. Light commercial application will be restaurant, office, hotel, and resort.

**DIMENSIONS**

Model	VCA523LED-30-WH/VCA523LED-30-BK
A	10.2"
B	13.4"
C	52"

Ceiling Fan	VCA523LED-30-WH	VCA523LED-30-BK
Color/Finish	White	Black
CCT	3000K	
LED Light (Watts)	15	
Weighted-Average Air Flow (CFM)	3,271	
Weighted-Average Energy Use (Watts)	10	
High Air Flow (CFM)	4,700	
High Energy Use (Watts)	13	
Energy Efficiency (CFM/Watt)	312	
Current (Amps)	0.25 Max	
Power Rating (V/Hz)	120/60
